

10 SECRETS... FOR THE PERFECT BOOT

Like our boots, the processes we use to make them are tried and true, improved by time and a little extra inventiveness.

Developed over 30 years, we continue to engineer the methods and equipment we use to get the very best out of the materials and we've kept them top secret - until now.

THE MOST IMPORTANT SECRET WE HAVE. OUR PRODUCTS ARE AUSTRALIAN MADE AND OWNED.

WE USE THE PUREST, WARMEST, MOST LUXURIOUS AUSTRALIAN MERINO SHEEPSKIN, TANNED IN AUSTRALIA'S LAST SHEEPSKIN FOOTWEAR TANNERY- ROMAN TANNERY.

ALL OUR BOOTS FEATURE REINFORCED AND DOUBLE STITCHING FOR EXTRA STRENGTH AND DURABILITY.

HEEL AND TOE SECTION REINFORCED WITH SUEDE FOR EXTRA SUPPORT AND STRUCTURAL INTEGRITY.

OUR THERMO PLASTIC RUBBER SOLE HAS SUPERIOR GRIP AND IS RESILIENT TO -40°C. THE HIGH DENSITY EVA HAS LONGER LASTING, DURABLE WEAR.

SHEEPSKIN NATURALLY REGULATES BODY TEMPERATURE TO KEEP YOU COMFORTABLE REGARDLESS OF THE SEASON.

OUR PRODUCTS ARE MADE TO COMPLY WITH THE HIGHEST GLOBAL EPA STANDARDS.

ALL PRODUCTS ARE WASHABLE BY HAND WITH WOOL APPROVED DETERGENTS. PLEASE FOLLOW INSTRUCTIONS.

IMPROVES CIRCULATION. DRAWS MOISTURE AWAY FROM SKIN FOR GREATER COMFORT AND HEALING.

INNERSOLES CAN BE REPLACED FOR BOOT LONGEVITY AND INNER SOLES CAN BE USED FOR COMFORT IN OTHER FOOTWEAR.
