

## SIZE CHART

Our boots and slippers are true to size so please follow this size chart.

Sheepskin boots do stretch more than leather shoes and with wear the fibre will compress in every direction to accommodate the shape of your foot and calf. A snug fit when trying your boots on is highly recommended. All our footwear is marked with both Mens and Womens sizing.

### WOMENS

OUR SIZE	USA & AUST	UK	EUROPE	KOREA
3-5	5	3	35	-
4-6	6	4	36	225-230
5-7	7	5	37	235-240
6-8	8	6	38	245-250
7-9	9	7	39	-
8-10	10	8	40	-
9-11	11	9	41	-

## CARE GUIDE

All our sheepskin products are washable by hand with wool-approved detergents. Please follow their instructions.

Sheepskin boots do stretch more than leather shoes and with wear the fibre will compress in every direction to accommodate the shape of your foot and calf.

Therefore a snug fit when purchasing your boots is highly recommended. Refer to our size chart (above) for more information.
